Faisal Shingiro

IT Supporter

As a software developer, I'm a highly analytical and creative problem-solver with a passion for building innovative solutions. My career is defined by a strong technical foundation, a love for coding, and the ability to adapt to ever-evolving technologies. My ultimate goal is to leave a lasting mark in the tech world, whether through groundbreaking software, entrepreneurial ventures, or inspiring the next generation of developers.

Education

● Bachelor's Degree

Since 2023 [Adventist University Of Central Africa](#) Kigali, Rwanda
Current student at Adventist University of Central Africa in Software Engineering

● A2 General Diploma

From 2019 to 2023 [GS St Joseph Kabgayi Secondary School](#) Muhanga, Rwanda
Rwanda Pursued studies in Physics, Mathematics and Chemistry - in A level and successfully graduated with an outstanding overall grade.

Work experience

● IT Supporter

From May 2024 to September 2025 [En Silver Rwanda Ltd](#) Gasabo

- Provided technical support for accounting and finance software, including QuickBooks and tax management tools.
- Troubleshoot hardware, software and network issues to ensure uninterrupted financial operations.
- Assisted staff with system setup, configuration and updates for accounting applications.
- Maintained IT infrastructure, ensuring secure and efficient data handling for financial processes.

● Internship

From October 2022 to February 2023 [Solvit Africa](#) Kicukiro, Rwanda

- Learned and contributed to maintaining IT infrastructure and ensuring smooth operations.
- Gained hands-on experience in IT problem-solving and workflow optimization.
